Ed Hertel's

PRICE GUIDE FOR ILLEGAL CHIPS

4th Edition

© 2005
by Edward Hertel

INTRODUCTION TO THE 4TH EDITION

This is the fourth edition of a series of price guide I started putting together years ago in an effort to help collectors categorize illegal chips which up to that point had either been ignored, or dealt with haphazardly in several different publications. My hope was to consolidate listings of illegal chips into one source that could be used to study these chips further.

Upon completing the 4th edition, I was faced with the decision of distribution. Previous editions were self-published and self-marketed. This kept the cost low, which made it available to the casual illegal collector as well as the avid one. This time however, I am going one step further and making the price guide available for **free**. It is my hope that this will make the book available to not only the collector with a minor interest in illegals, but also to people with only one or two illegal chips. Perhaps this offer will perk some interest in people who would otherwise ignore illegal chips.

I hope you enjoy this guide and if you have any corrections or additions, I hope you will let me know for future editions. I am available at the following:

Email: ehertel@prodigy.net

Address:

Ed Hertel
P.O. Box 2536
Stafford, TX 77497

Let's keep chipping fun, friendly and educational.

Sincerely,

Ed Hertel
